SCHOOL JUMPER ORDERS

Dear Parents / Caregivers,

Last year the PDSS P&C designed a school logo navy polar-fleece zip-up jumper to overcome the problem of trying to find a plain jumper for your students to wear to school.

It is now part of the uniform policy that ONLY these jumpers are to be worn at school.

This year, they are available via pre-order only and all orders are to be placed and paid for via Flexischools.

They are a great quality jumper that should last a student quite a while, so please order yours in either one or two sizes up from what your child would wear now.

Sizes are 4-14 and the cost is $30 each.
If you would like to see a sample of the jumper, please see Joan in the uniform shop on either a Monday or Friday morning between 8.30am - 9.00am.

Orders close on Wednesday 21st May at 4pm for an early June delivery.
This will be the only order of jumpers done this year, so don’t forget to order yours!!
